

This springtime at Language No Problem

Cool kunst en cultuur is committed to inclusivity, extending a warm welcome to visitors who don't speak Dutch. Under our Language No Problem label, we offer classes and theatrical performances where language does not form a barrier. Whether you're interested in musical performances, workshops, or other activities, non-Dutch speakers can fully participate and enjoy.

Meneer Monster

Over een kleine mol... (2+)

Mole comes out to see if the sun is up, when suddenly something lands on his head... A wordless slapstick for the very young.
