

Fall 2025 Language No Problem

Cool kunst en cultuur is committed to inclusivity, extending a warm welcome to visitors who don't speak Dutch. Under our Language No Problem label, we offer classes and theatrical performances where language does not form a barrier. Whether you're interested in musical performances, workshops, or other activities, non-Dutch speakers can fully participate and enjoy.

Plankton

Er rent een berg voorbij

(*A Mountain Runs By*) tells the story of Earth's 4.54 billion-year history. This story shows how our world is always changing.
